

The tradition aren't only special cups of coffee, you can also savour **the music**, **the literature**, our "black sense of humour", the pleasant **smell of the pastries**, the wonderful taste of the **typical Viennese specialities**, the **comfortable ambience** and the **pure joy of life!**

We welcome you with all the **charm and cordiality** of Vienna. Your visit to our

Wiener Kaffeehaus Franzl

should be unforgettable. **An impression that feels like being in Vienna.**

"Vienna, such a beautiful city!
Vienna, oh we wanna go there!
Vienna, the place to be!"

We often heard those sentences,
so we brought a small piece of Vienna to
Romanshorn.

Enjoy our **time-honoured tradition of Viennese coffee culture!**

This has been an immaterial UNESCO World Heritage Site since 2011.

We are **the first international member** of the **Klub der Wiener Kaffeesieder.**

Our aim is to make your stay as comfortable as possible. Please come again, bring your friends and tell the world about your impressions! After all: You don't have to travel far from home to be in VIENNA !!!
